N.N Sinha, OSD, Ministry of Steel reviews performance of SAIL Ranchi Units

PC JHA

RANCHI: N.N Sinha, OSD (Ministry of Steel), GOI visited MTI yesterday after completing his one-day visit to Bokaro Steel Plant.

Sinha interacted with a joint team of SAIL, Ranchi led by Amarendu Prakash, Director in Charge, Bokaro Steel Plant, Jagdish Arora, ED(CET); Nirvik Banerjee, ED(RDCIS); Sanjeev Kumar, ED(HRD) and Ashis

Chakraborty, ED(SSO).

He urged them for further excellence in their efforts in line with the vision of Ministry of Steel and National Steel Policy. The programme started with the welcome address by Amarendu Prakash. It was followed by presentations from RDCIS, CET, SSO and MTI. During the review Sinha urged the collective to reduce the gap between research and engineering.

He exhorted the IT leadership of SAIL to take adequate precautions for an impregnable e-security in view of the recent AIIMS incident.

He encouraged the think tank of SAIL for reducing dependence on European technology suppliers and mill builders. He also called upon to lead the country's Steel Initiatives. He was informed of SAIL R&D participation in the AAKANSHA project for Deep Sea Submarine, proper archiving and digitization of critical drawings at SAIL level, the steps taken to produce steel in a safe way and the corporate IT strategy of SAIL. The deliberations ended late evening with a Vote of Thanks by Sanjeev Kumar.
